

**CSWD** congratulates

 **BioTek**<sup>®</sup>

*for winning the*

## **Annual Business Waste Reduction Award**

**Winning Results:** Reduced weekly garbage pickup from 20 cu. yds. to 12. Recycling pickup increased from 20 cu. yds to 30 —*at no additional cost.*

### **Winning waste reduction practices:**

- Reusing cardboard before recycling
- Recycling oil used in manufacturing
- Purchasing office products with high post-consumer recycled content
- Composting nearly 1.9 tons of food scraps and paper towels

**BioTek** is a world leader in life science research solutions—and a leader in promoting environmental stewardship.

The Waste Reduction Award recognizes businesses for outstanding efforts in waste reduction. For information on how your business can qualify, call our Hotline at 872-8111!
